CONGRATULATIONS TO THE TEAM AT WIVENHOE

...continued from page 1

This award is as much a testament to the hard work and commitment of our amazing team, reinforced by the cooperation and support of our residents. We are delighted that our residents can share in this achievement. We are very proud to win the award but also humbled to be in the company of entrants and finalists who have produced numerous iconic projects. We are thankful for all the support we have had from the industry and the Wivenhoe and wider community. Congratulations to all involved.

As the weather warms we will take the opportunity to celebrate with a special event for our residents later this year.

WIVENHOE WISDOMS IN CELEBRATION OF OUR WIN

Moving to Wivenhoe has been the best move for me, I just love it here and appreciate everything that has been provided and the ongoing support of the team. We are all very privileged to live in this wonderful, peaceful environment and kudos to the owners for building this great facility, giving us such a good quality of lifestyle.

I was so proud to hear we had won. The village has amazing employees, from the owners, office staff to the gardeners, they are all so attentive and helpful. These amazing people and friendly, smiling faces of the residents make the village what it has become. As a resident of this fantastic community, I can say with confidence that it was a well deserved win. I am honoured to live in the best retirement village in Australia.

RESIDENTS HOST BIGGEST MORNING TEA

Congratulations to all of our residents and guests who contributed to yet another highly successful Biggest Morning Tea function! This year saw funds raised in excess of \$4,600 for the Cancer Council - a fantastic result!

Guests and residents were treated to many home cooked sweets and savouries, raffle opportunities and the chance to view fellow residents talents in the craft display. A huge thank you goes to all residents involved in the organisation of this popular event - well done!

HAPPY 5TH BIRTHDAY!

The residents and team at Wivenhoe Village marked a special milestone this March, celebrating 5 years since the Village welcomed its first residents.

And every special milestone warrants a big party! Complete with celebratory cake, balloons and wonderful entertainment from our resident muso, Paul, it was a full house in The Lodge.

The celebration timed beautifully with the completion of the Village, particularly as we near full occupancy. This month we welcomed our 216th resident and we are delighted to see the community continue to grow. Looking back, it's amazing to reflect on just how far we've come in such a short space of time.

Our first residents, or the 'pioneers' as they've affectionately become known, can tell you all about what it was like in those early days when they lived

in our first completed homes surrounded by construction – solid friendships were formed and the foundations of Wivenhoe were set. Take a look at some of these 'before' and 'after' shots to get a sense of just how we've evolved.

A big thanks to all our residents for coming along, making new friends and reminiscing with old ones. We truly have a lovely community at Wivenhoe to be proud of.

FAREWELL TO MICK COLLINS

Late last year our original Maintenance Manager, Mick Collins, decided it was time to down tools and take on retirement full time. Mick came to us firstly in the capacity of resident, when he and his lovely wife Fran moved into the village to enjoy their retirement years. Not one to sit idle, Mick jumped at the opportunity to help out with maintenance on a part time basis, however that role quickly developed into a much more substantial and permanent position. With his great breadth of knowledge, Mick became invaluable to the Village and was a huge asset to our residents, overseeing all things maintenance and managing our growing team. Upon return from a 3-month adventure in their caravan around Australia, Mick realised it was time to retire – again – this time more permanently! We thank Mick for his hard work and unwavering commitment to Wivenhoe – he has been a true asset. We wish he and Fran all the very best in their retirement, and hope they continue to enjoy a fulfilling life as Wivenhoe Residents.

We also take this opportunity to welcome Mick Kelly our new Maintenance Manager to the team – and we promise that the name ‘Mick’ was not a prerequisite for the job!
